ISSUE

Where can I find information on security, compliance, and privacy for Tungsten Automation and its product suite?

SOLUTION

For information on security, compliance, and privacy for Tungsten Automation and its product suite, please see the [Tungsten Automation Trust site](#).

Tungsten Automation takes building and maintaining customer trust seriously. Tungsten Automation provides robust security, compliance, and privacy programs that carefully consider data protection matters across our suite of products. The [Tungsten Automation Trust site](#) ensures you have the latest security, compliance, and privacy information at your fingertips.

If you have additional questions about security, compliance, or privacy, or need assistance with a security questionnaire, please reach out to your Tungsten Automation Account Executive. If you are not sure who your Account Executive is, you can contact our Sales Team directly, or you can log a Support Case, and we can connect you with the Account Executive who can help you.
